

## Casual Nursery Hand

Wallum Nurseries Pty Ltd is Australia's largest wholesale tube stock nursery which specialises in Australian native tube stock for revegetation. Wallum Nurseries Pty Ltd seeks to be respected in the market for its depth of knowledge, innovative ideas and as a centre for excellence in native revegetation species.

Wallum Nurseries Pty Ltd is currently seeking a Casual Nursery Hand. We are looking for a motivated team player with previous experience in the nursery industry. Ideally the applicant should pose a good knowledge of plants and hold a Certificate in Horticulture. The role can be physically demanding at times. The role involves:

- Tubing native seedlings
- Packing and grading plants
- General nursery duties which include weeding, growing maintenance, propagation, cleaning and dumping
- Working in a team environment

### Overview of Responsibilities

- Previous experience in the nursery industry
- Certificate in horticulture, not essential
- A team player
- Enthusiastic, friendly and energetic
- Enjoys working in the outdoors in a variety of different environmental conditions
- Willing to learn and grow with the company
- Manual driver's license

### The Role

Wallum Nurseries Pty Ltd is a wholesale nursery based in Gumdale, Brisbane. Hours of operation are Monday to Friday 6:30am to 4pm. There is some flexibility with hours and days.

To be considered for an interview, please email your resume along with a cover letter.
